00528 **Arabic grammatical tradition** **Serreli**
V 2st, Di 10-12, S 96, Audimax
BA Kultur und Gesellschaft, Modul ARA T1

Prerequisite: Intensive Arabic II or more.

The course offers an introduction to the Arabic linguistic and grammatical tradition, both theoretically and practically. It provides an overview of the Arabic linguistic and grammatical tradition with focus on selected themes. Selected excerpts of primary sources are read, translated and discussed in class. Attendance and active participation are highly recommended. Languages of the course are English and Arabic.

00370 **History of Arabic** **Serreli**
V 2st, Do 10-12, S 90
BA Kultur und Gesellschaft, Modul ARA SW2

The course offers a critical overview on the history of the Arabic language. Theories and perspectives on the origin and development of the Arabic varieties from pre-Islamic times to the contemporary days are presented and discussed. The course is offered in English.

07240 **Introduction to the study of the Arabo-Islamic World** **Serreli**
V 2st, Mo 14-16, S 107, FAN
BA Kultur und Gesellschaft, Mobilitätsfenster
MA SprInk, Modul 8.2 oder 8.3

The course is an introduction to the study of the Arabo-Islamic world, in its multiplicity. The lectures will cover the following topics: history of the North-African and Middle Eastern region (MENA) and its modern and contemporary politics; rise and development of Islam and its current practice; the people and languages found in the region and the sociocultural elements characterizing the different communities; the literary and artistic production. The course will be offered in English and host invited speakers. A detailed syllabus will be announced in September 2019.
