Die Räume für eventuell stattfindenden Präsenzunterricht werden in CAMPUSonline und am schwarzen Brett der Arabistik bekannt gegeben.

Die gemeinsame Semestereröffnung der Arabistik und Islamwissenschaft findet am Dienstag, 19.10.2021, 10 Uhr c.t. entweder im Gebäude GW I, Konferenzraum K5 oder gegebenenfalls als online-Konferenz statt.

07240 **Introduction to the study of the Arabo-Islamic World** **Falchetta**
V 2st, Mo 14-16
BA Kultur und Gesellschaft, Mobilitätsfenster Arabistik und
Islamwissenschaft
MA Sprlnk, Modul 8.2 oder 8.3

Prerequisite: the course has no prerequisites. First-semester students are warmly encouraged to attend.

The course is an introduction to the study of the Arabo-Islamic world, in its multiplicity. The lectures will cover the following topics: history of the North-African and Middle Eastern region (MENA) and its modern and contemporary politics; rise and development of Islam and its current practice; the people and languages found in the region and the sociocultural elements characterizing the different communities; the literary and artistic production. The course will be offered in English and host invited speakers. A detailed syllabus will be announced in October 2020.

The course is designed as (physical) classroom teaching. If the situation does not allow it, it will be a digital course on Zoom.

00370 **History of Arabic** **Falchetta**
V 2st, Di 10-12
BA Kultur und Gesellschaft, Modul ARA SW2
SprlnK 8.2

The course offers a critical overview on the history of the Arabic language. Theories and perspectives on the origin and development of the Arabic varieties from pre-Islamic times to the contemporary days are presented and discussed. The course is offered in English.

The course is designed as (physical) classroom teaching. If the situation does not allow it, it will be a digital course on Zoom.

00150 **Introduction to Arabic Linguistics 2 / Einführung in die arabische Sprachwissenschaft 2** **Falchetta**
V 2st, Mi 10-12
BA Kultur und Gesellschaft, Modul Mobilitätsfenster

Prerequisite: ARA SW I (Introduction to Arabic Linguistics)

This course introduces basic linguistic principles in the fields of morphology and syntax, with a focus on Modern Standard Arabic. Active participation is recommended. The course is offered in English.

The course is designed as (physical) classroom teaching. If the situation does not allow it, it will be a digital course on Zoom.
